

Monterey Landscape Adventure

June 18 - 22, 2017

Capture the beauty of roaring surf, rocky headlands, sculpted pines and majestic redwoods.

You are invited to experience stunning scenery, grand locations, and good fellowship with the **Monterey Landscape Adventure**. Mark Comon and the **Creative Photo Academy** team will provide the technical knowledge and creative inspiration you need to produce stunning images. Practice the rules of exposure, creative composition, lens selection, and filter techniques. The trip includes a special visit to historic Wildcat Hill and a tour of Edward Weston's home and

About the Adventure:

The Monterey Landscape Adventure offers fantastic photo opportunities for rookie to seasoned photographers. The gorgeous scenery of the Central California Coast will grace our lenses and offer any photographer a challenge to create concise compositions and flawless exposures. Interiors, details, close ups, and macros will offer creative opportunities to explore and build eye-catching images that move beyond the ordinary.

The CPA team will be with you at every step of the way to offer tips to capture amazing images as well and guide you to the perfect picture. Learn to master your camera and expand your creativity.
