

# Yosemite Fall Adventure

Experience the *Creative Photo Academy's Yosemite Fall Photo Adventure*. Wonderful scenery, fantastic locations and good friends make for a grand weekend. Learn to produce great scenic images by practicing the rules of exposure, creative composition, proper lens selection, and use of filters. We provide the technical knowledge and inspiration, you provide the creative desire!

## About the Adventure:

The Yosemite Fall Photo Adventure offers fantastic photo opportunities for any photographer. Breathtaking scenery in one of our nation's most beloved national parks will set the stage for creating gorgeous, works of art, as grand scenic and details. Yosemite National Park in autumn is a contrast of towering granite, colored foregrounds and trickling waters. The light, location, and scenery will test the skills of the seasoned veteran or photographic novice and will challenge you to embrace Nature's wonderful elements.
