

# experience

FEBRUARY 17 FRIDAY 18 SATURDAY 19 SUNDAY

The **Nikon Experience Weekend** is a unique program to PAUL'S PHOTO and Creative Photo Academy students. Spend the weekend with your Nikon Rep, get one-on-one time to really learn your camera. Get the information you need in a relaxed and fun filled atmosphere. Sign up for the whole weekend or just Saturday's informative sessions.

## THE NIKON EXPERIENCE WEEKEND

Friday 7pm. **NIKON Pizza Party\*** Get to know the NIKON team and the Paul's crew. Get oriented and familiar with your camera. Pick up loaner gear that's yours to use for the weekend. Enjoy an evening of fellowship.

Saturday 9am. **NIKON Tips and Tricks for Advanced SLR's** Learn to get the most from your D810, D750, D610, D500, D7200 or advanced SLR. These "secret tips" will propel your photography to new levels quickly. Special help for d3000 + d5000 series photographers.

Saturday 11am. **NIKON Q&A\*** Hands-on help. You, your questions and your camera with the NIKON Rep.... What can be better than that!

Saturday 1pm. **NIKON Sports Photos- How to Capture the Action** Learn to create stunning action shots with your Nikon camera. The right settings, finding the best light and perfect angle to capture your star!

Saturday 3:30pm. **NIKON Landscape Photos Before & After Dark** Learn to make stunning landscape photos in sunlight, sunset and moonlight. Camera settings, creative thought and inspiring pictures.

Saturday 7pm. **Night Hawks Photo Excursion- PV Nightscape** Join the CPA Night Hawks on an evening of beauty in Palos Verdes. Bring a jacket, your tripod and sense of adventure and make some great photos.

Sunday 10am. **NIKON People and Portrait\*** Learn to make amazing portraits and people pictures with our simple tips. Use the right lens, the best settings and control the background to make the ideal portrait.

Sunday 1pm. **NIKON People and Portrait Flash Workshop\*** A three-hour tour to learn and use the NIKON flash system and produce stunning portraits. Includes live photo session with professional models.

*\* Exclusive events for Nikon Experience Weekend participants only*
