

# Black & White Workshop

*with Mark Comon*

Saturday, June 30<sup>th</sup> & Sunday, July 1<sup>st</sup>, 2018

Join CPA for our famous 2-day B & W workshop! You will enjoy two full days of learning new techniques on how to create rich texture, strong contrasts and compositions with impact. Expand your creative vision and further your pursuit of black and white photography. Build your confidence to visualize the world of color through “black and white eyes” and learn how to most effectively capture these images with your digital camera. These methods will be practiced and applied through hands on field experience, followed by classroom time editing in the computer. You will leave with your own B&W fine art pigment print. For more **B&W** fun join us Friday, June 29<sup>th</sup> for our famous FILM NOIR photo shoot!
