

Monument Valley Adventure

October 23 - October 29, 2017

You are invited to experience the Paul's Photo Monument Valley Photo Adventure. Wonderful scenery, fantastic locations and good fellowship make for a truly memorable photographic experience. Join Mark Comon and the best local guides from Monument Valley and Canyon de Chelly on a magical photographic journey into Navajo country.

The Adventure:

Ya'a t'eeh. The Navajo reservation is a fantastic photo destination. The "Ancient Ones" roamed the high desert plains and harvested corn and for centuries. Anasazi artifacts and ruins are ever present. Today the Navajo call this land home as they have for nearly one thousand years; living in harmony with the land tending their sheep. **Our lens will find ancient ruins, stunning landscapes and warm and smiling people, and their sheep.**
