

Experience

October 13-15, 2017

The **Nikon Experience Weekend** is a unique program to PAUL'S PHOTO and Creative Photo Academy students. Spend the weekend with your Nikon Rep, get one-on-one time to really learn your camera. Get the information you need in a relaxed and fun filled atmosphere. Sign up for the whole weekend or just Saturday's informative sessions.

The Nikon Experience Weekend

Friday 13, 6:30-8:00pm NIKON Basic Photo & Pizza Party*

Get to know the NIKON team and the Paul's crew. If you are new to the world of DSLR photography or are thinking of purchasing a camera but want more information first, this class is perfect for you. We will walk through a lot of the settings on the cameras and when to use them. We will help you figure out which lens to use and how to create an engaging composition for your photograph. It will be informative and fun!

Saturday 14, 9:30-11:30 NIKON Tips and Tricks for Advanced SLR's

Learn to get the most from your D810, D750, D610, D500, D7200 or advanced SLR. These "secret tips" will propel your photography to new levels quickly.

Saturday 14, 1:15-2:30 Close Look at Macro Photography

Join Nikon for an afternoon of learning and shooting. We will be going over the techniques and special tips for close up photography.

Saturday 14, 2:30-3:30 Hands on Macro Photo Shoot* Then we'll move into a time of shooting. Nikon is bringing out their full macro equipment to give you a hands-on experience shooting macro from the simple kit to the best of the best cameras.

Saturday 14, 4-5:30pm NIKON Landscape Photos Before & After Dark

Learn to make stunning landscape photos in sunlight, sunset and moonlight. Camera settings, creative thought and inspiring pictures.

Saturday 14, 7:30-9:00pm Nikon Landscape Photo Meetup* Get out in a cool local area and learn how to make fantastic images after dark. 2 Nikon instructors and 1 Paul's Photo employee will be on hand to help you set up your camera and make amazing images. Bring a jacket, your tripod and sense of adventure and make some great photos.

Sunday 15, 10:15-11:30am Intro to Nikon Creative Lighting System*

You will be shown how to make light work for you with the power and versatility of Nikon Speedlites and the Nikon Creative Lighting System.

Sunday 15, 11:30-12:30pm Hands on Close up Shoot* Bring your Nikon Speedlight, or use one of ours. Our trained team of instructors will be here to walk you through the steps and build your confidence. You will leave ready to tackle any flash assignment when you leave.

Sunday 15, 1:45-2:30pm NIKON Portrait Photography * Learn to make amazing portraits and people pictures with our simple tips. Use the right lens, the best settings and control the background to make the ideal portrait.

Sunday 15, 2:30-3:30pm Hands on Portrait Shoot* Use your camera or a loaner from Nikon and portrait lenses to shoot photos. Models will be provided.
