

ANSEL'S Sierra Tour

JULY 27 - AUGUST 3, 2018

Walk in the footsteps of the photographic giants. On Ansel's Sierra Tour you'll create fabulous photos, explore God's country and learn creative landscape photography. The CPA team will lead you to iconic locations on the Eastern Sierra with our focus on stunning scenic imagery in beautiful black & white. Pack your bags and join us for a picture taking road-trip that is beyond description.

TOUR LOCATIONS

Seven glorious days and nights of creative photography

- ALABAMA HILLS Get creative with the rocks and WOW background
- BODIE AT NIGHT Capture the iconic Ghost Town as few can, at night
- BRISTLECONE PINES Oldest trees on the planet through your lens
- FISH HATCHERY Fantastic, yet secret location. A hidden gem!
- LITTLE LAKES VALLEY Take a walk into the wilderness
- MANZANAR Amazing location remembering the internees
- MONO LAKE Stark beauty, billowing clouds and extreme exposures
- MOUNT MORRISON Climbing majestically from Convict Lake
- MOUNT WHITNEY Wonderful views of the highest peak in 48 states
- MOUNT WILLIAMSON Glorious peak towering above the Valley
- POTHOLE DOME Climb the exfoliating granite for a stunning view
- TUOLUMNE MEADOWS Exfoliating granite in its glory. Beautiful.
