

# STAR TRAILS & LIGHT PAINTING

Joshua Tree, February 10-12, 2018

Creative night photography is a mystery to many. We've figured it out and will make it simple for you! Learn how to photograph the spellbinding spherical movements of stars in the sky, how to change a scene by painting with light, and how to build drama by integrating star trails and light painted foregrounds. You'll make pictures that are truly stellar!

## How-To Prep Class

**Tuesday, February 6, 2018, 7-9pm**

Learn about the equipment and techniques needed to make creative star trail and night sky photographs. Star trails require long exposures, a sturdy tripod, intervalometer remote shutter release, and a spark of imagination. Come learn how to make these captivating images.

## Post-Production Class

**Thursday, February 15, 2018, 7-9pm**

Process your Star Trails night photography in the digital darkroom hands-on with your CPA educator. Together we will review basic steps to process your images into brilliant, creative star trail images using free software as well as Photoshop and other scripts and techniques. We will review making minor adjustments both before and after your final prints are completed.

## Joshua Tree Star Trails Shoot

**Saturday-Monday, February 10-12, 2018**

Come take photos in this stark and captivating environment. We'll arrive in the afternoon to scout and plan our shots (or you can arrive earlier to shoot Joshua Tree landscapes). We'll go to work at dusk and shoot until the early hours. You can camp or drive to a nearby hotel. (Recommended accommodations in Yucca Valley provided upon registration.) It will be loads of fun and we'll make some spectacular images together.

**Limit – 15 Participants**

Class Details:

- **During the day:** Scouting, post processing and maybe sleeping and at night: Star trails & light painting!
- **Includes:** Location for photographing, "How-To Prep Class" and onsite instruction.
- **Does not include:** Transportation, meals, accommodations (we will be 30 minutes from the town of Joshua Tree if you wish to stay at a hotel) and entrance fees.
